Dear John;

Thank you for your reception report of November 21, 2006. You were hearing KMPH 840 with our promos for music "FROM THE HEADLINER STATION" and "KMPH THE NEW AM 840". It is always good to hear were our signal is being heard. Thank you for your report and keep up the good work.

We do appreciate hearing about the DX reception of KMPH.

Sincerely,

Jerry Moore, Chief Operator KMPH
