Dear Mr. Nittler,

Thank you very much for your kind letter concerning your reception of K-NEWS (KNNZ).

Along with receiving our signal we hope you enjoy K-NEWS and our news reporting style. Our approach to all-news radio is different than conventional all-news stations and we are very proud of our product. When the signal is available to you, we hope you'll choose K-NEWS as your source for national and international news, business news, sports and special features. As you have heard, K-NEWS is more than an L.A. radio station. Our news is wide-ranging, in-depth and designed for the entire nation.

Thank you again Mr. Nittler for taking the time to write and letting us know we're out there. Remember, when you want news...K-NEWS is news when you want it.

Sincerely,

Jim Roope  
Operations Manager
