Mr. Bill Nittler
Box 112
Englewood, Colorado 80110

Dear Mr. Nittler:

Thank you for your reported reception of KSCO in Colorado on February 5, 1969. The data supplied coincides with our log and you did receive KSCO. At the time of reported reception, KSCO was operating with our licensed daytime facilities of 10,000 watts non-directional antenna. At 5:45PM our signal disappeared because we reduce power to 250 watts non-directional under temporary authority while our new night facilities of 5,000 watts directional are being constructed.

Thank you once again for your reported reception of KSCO and the details of your receiving setup.

Sincerely yours,

RADIO SANTA CRUZ - KSCO
