Dear Mr. Nittler:

Thank you very much for your letter, you surprised the KTRB staff. No-one here ever dreamed that we reached that far even with a skip wave, sky wave or what have you.

We are pleased to confirm your reception of KTRB. The staff of the station are going to sign this letter, just in case you should tune our way again, and pick up our signal, you will know the party at the other end.

We are also enclosing one of our Program Logs for the month of December. Thought perhaps you might be interested.

Thanks again for your interesting letter.

Sincerely,

KTRB BROADCASTING CO., INC.
