Dear Mr. Nittler,

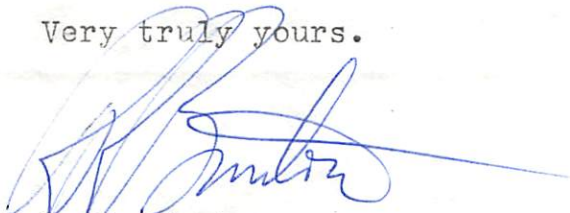

Thank you for your reception report, of the test broadcast on 12-1-75, 0030-0100 PST., for the benefit of the National Radio Club.

The programming which you have indicated, is correct. Our program for the test consisted of:

1. Pre-recorded 800cps tone with station I.D.
2. A series of ascending tones, direct from our Mutual Network loop.
3. Instrumental music selections from the album "Street Fair" by the Magic Organ.
4. Two "Live" I.D.'s denoting test for NRC.

Thank you again for your interest, and may I take this time to wish you and your family, the best of holiday greetings.

Very truly yours.

R. R. Bunton
