Dear Bill:

We appreciate your letter and report of hearing the station in Colorado. This letter is to confirm your reception of our signal. There is a station in San Jose, California and one in Mexico.

We have heard from listeners in Australia, Nebraska, Ohio, and now Colorado. Thanks again for your report and the information about your area.

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul J. Sautter', is written over the typed name.
