Dear Sir,

Sorry I took so long in
answering your letter, but even
my best of friends usually have
a long wait.

Certainly we live at 2590 R
and happy to hear that we
could be heard up there, but
would like to know if you
can pick us up all during our
broadcast day; from 5:30 a.m.
to 12:00 midnight.

Perhaps if reputation is good
we could give along some personal
musical indications.

Thanks again for your letter.

Sincerely
Bart Farmer

P.S.

Bart Evans is the name
I am using for announcing only.
