Dear Mr. Nittler:

Thank you so much for your kind letter of October 16 reporting reception of KHIL at 12:45 a.m. October 16. Our next frequency report will be on the morning of November 20 at the same time.

Our furthest point of reception at this time is in Reading, Pennsylvania.

We do remember your brother Francis who has visited our station, and he has said many kind things about KHIL.

Thank you for writing.

Cordially,

Lowell T. Christison
