Dear Bill,

First we would like to say Thank You for listening and taking the time to write us. We are the former KLOV. We changed our format and call letters during the July 4<sup>th</sup> weekend. KHPN is owned and operated by Spearman Company. Our new format is Classic Country, hits from yesterday and today. During the day our transmitter puts out 1000 watts, and it varies during the night hours.

I have enclosed programming information and once again thanks for listening. If you have any more questions or comments please contact me.

Thanks,

John A. Herrin  
Station Manager
