Dear Mr. Nittler:

Thank you for your reception report. I'm sorry that I did not receive your previous letter. Yes, your report is correct. You are also correct on the call letters. We changed from KREX and KREX-FM to KIIO and KVEE in June of 1984.

I am also enclosing a coverage map for your information. Again, thank you so much for writing and for your interest in our station.

Sincerely,

A handwritten signature in dark ink, which appears to read 'Jim Lucas', is written over the typed name and title.

Jim Lucas
Chief Engineer
