Bill;

We received your letter reporting reception of our station, KJJZ, written April 8, 1982. Thank you for the information. We are pleased that you can pick us up at such a distance. It's good to know that you are listening to us there.

I am sorry that it took a while to respond to you, but we get awfully busy around here sometimes.

Thank you for your vote of confidence. I hope this letter suffices your needs.

I hope you keep listening to KJAZZ, and that you tell your friends about us.

Sincerely,

Kathie Macdonald
