Mr. Nittler,

Thank you for sending us information on your reception of radio station KKBB Aurora/Denver. Our station is a 50 Kilowatt daytime and 500 watt night time operation. You may note that the station has changed call letters and formats since your reception report. The station is now called KLSZ "class-Z 10-90" and plays adult contemporary music. Please give us a listen soon.

Sincerely,

Mark William Petersen
