Dear Mr. Nittler,

It is my pleasure to confirm your reception of KKCS-AM on October 27, 1979.

KKCS is a 1,000 watt, non-directional daytime radio station. We have recently installed new equipment as well as a new ground radial system for our antenna.

The KKCS Transmitter is an RCA RTA-1S.

Thank you for your signal report and if there is anything we can help you with, please let us know.

Sincerely,

MK Seaman, C.E.
