November 20, 1989

Dear Mr. Nittler,

Just recieved your letter, and we're delighted to hear that KKGD can be heard so far away! Although we are just a 1000 watt station, we realize that it is a powerful 1000 watts, but had no idea it was that powerful.

Keep listening! We always appreciate any comments or suggestions from our listeners.

Sincerely,

Dave Richards, Program Director
KKGD/81K GOLD
