Dear Mr. Nittler:

This is to confirm your reception report of KRKS, formerly KLIR, on November 14, 1970. The call letter change took place on November 1, 1970. Although the call was changed, the programming and every other aspect remains the same as before.

I am sorry that as yet, we do not even have KRKS stationery yet, so you will have to do with our KLIR letterhead, which is still the call of our FM station.

Yours truly,

Robert L. Snyder
Chief Engineer
