

CLASSIC HITS OF THE 60's, 70's & 80's

Dear Bill Nittler,

Congratulations on your recent reception of KLSC AM 1090! Your report was recieved and verified to be correct. KLSC is a Century Broadcasting AM STEREO station in Denver. We are Broadcasting with 50 thousand watts directional day time and 500 watts directional night time with C-Quam AM STEREO.

Enclosed with this letter you will find information about KLSC which we hope you find interesting. Thank's for writing and good luck with your future DX'ing!

Sincerely;

Mark W. Petersen

Chief Engineer

KLSC Radio

Day of reception: 11/

11/4/85

Time of reception:

1:20pm - 2:00pm

sorry for the delay in this response Bill , Changing of ownership has caused lots of confusion! We will not be carrying Neb. football this year.

A Century AM Stereo Station
