Dear Mr. Nittler,

Your letter came into my hands recently. It has never fallen to my lot previously to varify reception of our programs, the gentleman who would normally reply to you being away.

The information contained in your letter was correct for the program of the afternoon of December 13.

Our thanks to you for writing in. If there is any way in which this letter is deficient, or short of what you desired would you please defer to my greenness and write for any further information.

Sincerely,

Mark Tomlin
