

GENESIS BROADCASTING INC

11/16/90

Dear Bill,

Your reception of KRZN on November 12, 1990 is confirmed. Thanks for your interest. Please check 760 on the dial periodically after the first of the year. We will be increasing our daytime power from 5,000 to 50,000 watts and I anticipate you'll see quite an improvement.

Sincerely,
Bill Harris
