Mr. Bill Nittler
Box 724
Meeker, CO 81641

Dear Bill,

Thank you for the verification letter. All seems to be correct. We are a 1000 watt daytimer, and I'm surprised by that time of evening, that KVOO in Tulsa didn't walk all over it. They usually cover us up pretty badly due to their sitting in the Central time zone.

Enclosed are some "goodies" regarding KSGR. Thanks for dropping in on us.

Yours truly,

Quin Morrison
