Dear Mr. Nittler:

This is to verify your reception of KSSS Radio on the afternoon of December 3, 1959.

I am very happy to hear that our reception is good in your area. As the 6-day a week proprietor of the Luncheon Melodies Show, I can verify your log as being 1000% correct.

You might be interested to know that KSSS is currently running tests in preparation for going full-time with a power of 1,000 watts. We hope that this will greatly strengthen our signal in the Denver area and that many of you in the Denver and surrounding areas can become regular listeners of KSSS.

Thank you very much for your letter.

Sincerely,

*Hal Edwards*
