"The Star of the Rockies!"

December 16, 1957

Mr. Maurice W. Nittler,
2618 So. Cherokee,
Englewood, Colorado.

Dear Mr. Nittler:

We are pleased to acknowledge your reception of our station on December 14, 1957 at 4:55 p.m. Mountain Standard Time.

We are glad to hear that you like Englewood, since some of the staff used to live there. I went to the Hawthorne Building School, and Mrs Hay, who writes copy, and presents the C E A report each week graduated from Englewood High School. Her parents Mr and Mrs L.E.Wise still live there.

We expect to present the National Radio Club program at 2. a.m. on January 14th.

Very truly yours,

MOUNTAIN STATES BROADCASTING CORP.

This letter was sent you after your first receiving report, but was returned with the comment "No Such Address". I can only assume that I looked at an 8 and saw a six as the second number. However, I saved it hoping you would write again, which you have done on receiving our test program for the Newark News Radio Club. I always answer reception reports, and am quite disturbed when I get one back for any reason. I'm a ham, and am busily trying to get a Worked All Continents certificate, and it burns me down when I don't get a QSL; so I assume that our DX listeners feel the same way.
