August 13, 1986

Mr. Bill Nittler
Box 824
Mancos, CO 81328

Dear Bill:

We were kinda surprised, too, when KFSC we sold in 3/85, changed their call letters to KVVS. However, they wanted to change their image and identification, so they made the switch.

I don't have any current KVVS letterhead, so I'll drop you a note on our KUAD-FM paper here....your reception report is accurate, and it is appreciated. Don't remember one from down that direction for a long time (except your prior one if you wrote....forgive my mental lapses trying to remember everything everyone needs these days!)

At full power times of sign on (early) when daylight time goes in, April, May, and June, especially, we have been heard as far away as California.

Again, thanks for the letter for KVVS.

Yours truly,

A handwritten signature in blue ink, appearing to read "Quin Morrison", with a long, sweeping underline.

Quin Morrison
Chief Engineer
