Dear Mr. Nittler;

This is to conform that you did indeed receive KDBL Rifle, Colorado on June 12th, 1985.

It was fun hearing from you. We changed our call letters on May 27th. It stands for the Double Barrel in recognition of the FM station which will be going on the air in August. KDBL FM will be an adult contemporary station while the A.M. will stay country.

Again it was a pleasure hearing from you. Thanks for writing.

Sincerely yours,

Mary Lu Davis
Office Manager
