Dear Maurice:

Glad to hear from you, and pleased that you were able to hear some of the equipment test made 2/27/58 at 4:30 to 5:00 A.M. on 1350 by myself and Frank Elkins.

Yes, I hope that Francis got to hear the broadcast out in Denver since he went to so much trouble to plant the broadcast and get you all notified to listen in.

You seem to have heard the first part of the program quite well, but lost out on the last half. Sorry conditions were not better, because we had quite an interesting program all worked up.

<sup>3</sup>/<sub>4</sub> Best of luck to you Maurice, and good DXing.

Yours Truly,

*George Strait*
