Dear Mr. Nitler:

This will verify your reception of WJOE from 2:06 AM, CST, on Wednesday, February 20, 1957.

We are sorry so much interference from XERF made reception so difficult for the National Radio Club members. We enjoyed bringing the program your way.

Thanks again for your report. Happy listening to you and your fellow members in the future.

Sincerely,

  
Martin J. Begley  
Manager
