Dear Maurice,

Well, right now I am so flustered I don't know what to do. First, let me confirm that this is the station you heard Sunday night. Everything you said matches what we did. So, far I have received 65 letters in one day on my all night show on Sunday. I am not going to answer them myself; rather a secretary will handle the job so you will be hearing more later probably and probably a pen will come too.

I have one reason for writing you and that is to tell you how happy I am to hear someone in my stomping grounds of Denver heard me. I wonder if you ever listen to KTLN in Denver? Did you ever remember hearing the "Bob Badger All Night Houseparty"? Well, that was me. I did that show from a year ago right now up until September 1, 1958. I did it from the transmitter just South of Denver. I was also going to the University of Denver. I resided at 2080 South High. I sure wish you had called collect, because it sure would have shook me. I guess you won't hear much more from WPCF unless it is Sunday night. If you have a chance sometime you might make a couple of phone calls. First, my replacement at KTLN,, Steve Wilson, whose number from midnight til 8am is PY-4 2710. Say hi from "Bobby B". Then, Miss Cynthia Sterling who lives at 3090 S. Williams almost in Englewood and her number is SK-6 2626. Just tell her you heard me and pass along my very best.

Well, Maurice, I will see that you get a pen... It may take a while but you will get it eventually and if you ever hear us up that way again call ys COLLECT at AD 42833.

Yours truly,

  
Bob Badger
