Dear Mr. Nittler:

Received your letter this ^{day} and it is a pleasure to hear from you. I am glad that our signal was coming in very well. I pull a freq. check every third Monday morning at 3:45 AM EST. We operated on 1580 K.C. with 1,000 WATTS daytime power. Daytime station only, between sunrise and sunset. We have all GATES equipment and been on the air for approx. third or three (3) months. I will be glad to have you with us next month and would appreciate hearing from you. Best wishes and Thank you for your time.

I Remain

Sincerely yours,
Doug. Graham
