Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Maurice:

We were so happy to receive your report of reception of our station on Sunday, February 6th. You are correct, that is our sign-on time at 7:00 A.M., followed by new and Music for America.

We are so glad to know we get out into that part of the country. We will be happy to know if you ever hear us again.

Sincerely,

J. D. SALTSMAN
Radio Program Director
