Maurice W. Nittler  
Geneva, Nebr.

Dear Mr. Nittler:

I'm very sorry about being so late verifying your reception of our station, but as this being a new station we have been very busy.

We are using a 1000 watt Collins Transmitter with a pair of 4-400A in the final.

<sup>T</sup>  
Think you very much for your letter.

Yours truly,  
*Kenneth Mock*
