July 14, 1964.

Mr. Maurice W. Nittler
4590 So. Julian,
Englewood, Colorado
80110

Dear Mr. Nittler:

Many thanks for your reception report dated October 14, 1962, at 10:10pm HST. This letter will verify your report in full. We are sorry that your first report was misplaced.

KNDI is a full time station on 1270kcs with 5000 watts of power. We do not have any extra Coverage Maps available.

Again, many thanks and good DXing in your hobby. '73's.

Sincerely yours:

*Syrm Lewis - Office
