Dear Mr. Nittler:

This is to verify your reception of KAYL, Storm Lake, Iowa.

There are two stations; KAYL AM, daytime, and KAYL-FM operating simultaneous until 6:30 pm, except when there is a night ball game and then the FM continues broadcasting until end of game time.

The FM antenna is side mounted on top of our AM tower that is 387 foot vertical.

Thank you for your letter.

Sincerely,

Robert L. Lamb
