Dear Mr. Nittler:

We are very pleased to have your letter of KXEL's reception in Geneva. It is always a pleasure to receive such letters from our many long distance listeners. We have just replied to D-Kers in Ohio and New Jersey--for today's mail. We have received reports from all 48 states (coast-to-coast), Canada, Sweden and New Zealand.

Radio Station KXEL is a 50,000 watt operation, classified as I-B clear channel, day and nighttime. We have been broadcasting since 1942.

This letter will serve as verification of your report for the evening of October 13, 1954. We trust that we will have the pleasure of hearing from you again in the future. Thank you for your interest.

Most sincerely,

JOSH HIGGINS BROADCASTING COMPANY
