programming ESPN SPORTS AND STATION I.D.
by BILL MITTLER
using DRAKE RBA WITH A SPIRAL LOOP ANTENNA
at MANCOS, COLORADO

Thanks for your reception report and information, Carl Watkins

I AM SURE YOU HEARD OUR STATION I.D.. HOWEVER THERE IS ANOTHER STATION AT 1620 KHZ IN NEBRASKA PROGRAMING ESPN SPORTS ALSO. SO I'M NOT WHAT YOU HEARD AT THE OTHER TIMES. WE TRANSMIT FROM THE SAME 300 FOOT TOWER AS KECN, 690 KHZ.

P.S. THAT WAS MY VOICE ON THE STATION I.D.
