Englewood, Colorado

Dear Sir:

We received your letter stating reception of Radio KEEP, as the date, times of station identification and word announcements you gave us are correct according to our engineering logs.

Our logs show the following:

Dec. 9 57	2:50 A.M.	station Iden.
	2:55 A.M.	station Iden.
	3:02 A.M.	station Iden.

This station operates on 1450 kcs , with a power of 250 watts.
All of our testing is done after midnight (12:00p.m. a.m.) MST.
Thank you very much for your report.

yours Truly

Walter Snow
Chief Engineer
Radio K-E-E-P
