Dear Maurice,

This is to verify your reception of our special DX program
on March 7, 1955.

Thanks for your report and very fine letter. Received 33 reports,
22 OK and 11 no dice. Farthest was from Jacksonville, Florida.

It may be of some interest to you to note that I received
a report from a person with your same last name - Francis
H. Nittler - 1335 Grant St., Denver, Colorado. Could be
some relation?

Yours truly,

D.K. Cederstrom Ch. Engr.
