

NOVEMBER 17, 1992

Mr. Bill Nittler
Box 824
Mancos, CO 81328

Bill...

Thanks for listening!

We are a 10KW day-1KW DA night station that raises power about 30 minutes ahead of the stations on the west Coast. Our night directional pattern protects stations in Connecticut, Minnesota, Texas, Oregon and British Columbia. You picked us up right after our Authorised Power Change time for November and before KWJJ Portland kicked in their 50 KW day signal.

Again, thanks for listening!

Sincerely,

A handwritten signature in blue ink, appearing to be 'Steve Sibulsky', with a long horizontal line extending to the right.

Steve Sibulsky
Operations Manager/DCO
