Dear Mr. Nittler:

We are happy to tell you that your report of reception on W C G O on October 17, 1960, is correct.

W C G O is a 1000-watt daytime directional station with major lobes to the Northeast and Southwest. Our four o'clock sign-on began October 3, and since that date we have received several early-morning reception reports from your general area.

Thank you for the report; please stop in to see us if you should be in this area again.

Yours truly,

A. V. Santucci
