Maurice W. Nittler
Box. 94
Geneva, Nebr.

Dear MR. NETTLER

Thanks a lot for the letter and the verification of the test program that was transmitted by WBAT on the 18th of DEC. 1954.

We have had good response from the members of NNRC and would like very much to put on another test program in the future.

Again thanks for the letter. Hope you have a very happy New Year.

Sincerely,

Bill Richards
