Dear Sir:

Thank you for your letter in which you report the reception of WCMR. This is to confirm it and to say we were instrument testing on Jan 16, 1956. We here at WCMR also want you to know that WCMR will be on the air regularly around the middle of February.

Since our coverage maps are not made up yet we will be unable to send you one at this time. However please accept the enclosed rate card.

Very truly yours,
