Dear Mr. Nittler,

This is to verify your reception of KARE's
"Star of the Morning" program on September 2, 1954,
5:45-5:52 AM, CST.

We recently received a letter from another
National Radio Club member named Nittler: Francis H.
Nittler of Denver. Perhaps he is a relative of
yours, eh?

We are always glad to hear from NRC members;
thank you for writing, and good listening.

Very truly yours,
