Box 94
Geneva, Nebraska

Dear Maurice:

This is to verify your reception of KGGF-Coffeyville on the night of January 27, 1955. We have a few listeners in the southwest corner of Neb. during the baseball season when we broadcast St. Louis Cardinal games.

We have also had several letters from New Zealand this winter reporting reception. Thank you for your letter to add to our growing collection.

Yours truly,

Dick Embody
Program Director
