Dear Mr. Nittler:

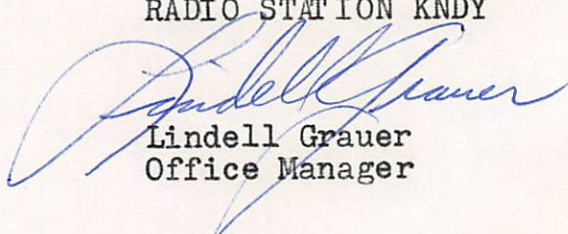

This is to verify your reception of KNDY on the morning of July 10, 1956 from 12:17 to 1:03.

We appreciate your interest and your report.

If I am not mistaken I wrote you a letter on your report of WPLH, Huntington, West Virginia, last February when we increase to 5000 watts there. I am very glad to see you are still keeping up your interest in radio. Again our thanks on your good wishes for our new station.

Regards,

RADIO STATION KNDY
