

Radio Station *KVGB*, Inc.

GROVER C. COBB, VICE PRESIDENT & GENERAL MANAGER

5000 WATTS DAY AND NIGHT

AFFILIATED WITH AMERICA'S NO. 1 NETWORK

NBC

Great Bend, Kansas

Great Bend, Kansas
April 3, 1958

Mr. Maurice W. Nittler
2818 South Cherokee St.
Englewood, Colorado

Dear Mr. Nittler:

This letter will serve to verify your reception of Radio Station KVGB from 12 midnight to 12:07 am M.S.T. on the morning of December 1st, 1958.

KVGB operates on a frequency of 1590 kilocycles with a fulltime power of 5,000 watts. Our transmitter and antenna are located south of Great Bend.

We hope you will continue to receive signals from KVGB.

Chad Nichols
Sincerely,
