Mr. Maurice W. Nittler  
Box 94  
Geneva, Nebraska

Dear Sir:

I was pleased to get your reception report concerning our February 20, 1956 broadcast. I distinctly remember sending you a verification of your first letter, probably it has been lost in the mail or something of that nature. So I am sending you one of our new cards and I am sorry that you didn't get the first one.

Yours sincerely,

RADIO STATION WBVL
