

Mail-o-gram

FROM

RADIO STATION WFLW

Monticello, Ky.

Dear Friend,

Received your letter and it sure is good to hear from you DX friends. Yes, we were making frequency check on the morning that you said you heard us and from all indications in the letter that you wrote you were able to get our signal. We have been on the air since May of 1955 and operate day time only. We are located near the Tennessee State line on the Cumberland River. Hope you will listen regularly to our checks which are the third Monday in each mo. at 2:00-2:10 (CST)

Welby Hoover
