

LEESVILLE—parish seat of Vernon Parish (county), the heart of West Central Louisiana, midway between Shreveport and Lake Charles. Gateway to famed Toledo Bend country - ideal conditions, all-year-round activities. Industrial with unlimited electric power and water; for the family: excellent schools, churches, shopping, outdoor sports - fishing, boating, hunting, sunshine.

Dear Bill,

This letter will verify your request of January 16, 1967.

We were on the air with our regularly scheduled frequency check the same time you evidently received our signal in Colorado.

Thank for the interest and keep up the good work.

With kindest regards, I am

Bob -
