Dear Mr. Nittler:

Received your letter concerning your reception of our station, and on checking our program log I find that you were listening to KNOE. I was surprised to know that we could be heard in Nebraska on occasions, and I appreciate your letter.

KNOE operates on 1390 KC with a power of 5,000 watts, directional pattern at night, however, we were on non-directional operation when you received us.

Monroe is 100 miles east of Shreveport and the population is around 75,000.

Yours truly,

Ray Boyd
Dir. of Engineering
