POST OFFICE BOX 193
PHONE 1400

Dear Sir:

According to your D-X report dated 10-11-55, you did receive our station on 10-11-55. The items and announcements that were mentioned in your report were broadcast at that time.

KTRY'S transmitter is located $2\frac{1}{2}$ miles northwest of Bastrop. Our transmitter is a Gates 250 watt; the height of our tower is 285 feet and our regular broadcast schedule is from 5 AM to sunset.

We thank you very much for your D-X report on receiving KTRY in your area.

Yours truly,

Chief Engineer
