Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Sir:

We received your letter concerning the reception of this station during a Regular Frequency Check, which we made August 13th, from 1:45 to 2:00 A.M. We operate on an assigned frequency of 1450 KC with 250 watts authorized power.

We appreciate your letter.

Yours truly,

NATCHITOCHEB BROADCASTING CO., INC.
