Hi Bill

I am a ham radio operator
myself, so I don't mind a QSL
now and then. It would make it
easier if you used a self-addressed
post card.

The station is now (KRJO) it's
a 10KW Non DA 1KW at ^{1640 AM} night.
It is a new station. The antenna
is a six wire unipole. In two
months we will be installing a
new Nantel XL12 in stereo.

Thanks for the QSL
Russell Kendrick
C.E.
